

SCHULTE®

X Eliminator Brush & Weed Suppressor

- Spray Kit Monitor -

Precise One Pass Brush and Weed Control!!

- 1** Control brush and weed growth with the Schulte Eliminator.
- 2** Chemical application spray kit for the Schulte XH1500 rotary cutter.
- 3** Ideal for brush and noxious weed suppression.
- 4** Monitor your speed, pressure and application rate.
- 5** Spray drift is reduced because the product application occurs under the mower deck.

G O N U M B E R O N E . . . G O S C H U L T E !

Eliminator

TANK CAPACITY

50 gallon (190 litres) tank is standard.

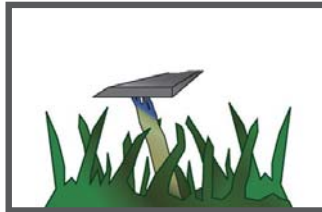

FLOW RATES

The Flow Rate can be adjusted to match the product being sprayed. A larger volume of water will improve chemical coverage and yield better results.

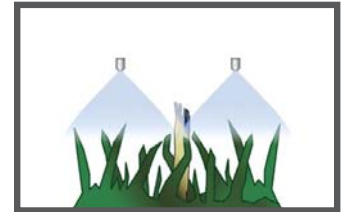

Various chemicals are available for brush and weed suppression, contact your local chemical products supplier for advice on the preferred product for each target application
