Become a Dealer!

Let us help you expand your business, increase customer base, maximize labour and offer a valuable service.

As a **Flaman Rental Dealer** you will benefit from increased profits, national branded advertising, financial and A/R support, buying power, training and staff support, co-op advertising, volume bonuses, equipment service support, and discount insurance.

Visit Flaman.com/rentals/ for more details!

The Rental Process

When renting we need to see:

1. Valid Canadian Driver's License
2. Major Credit Card (we do not accept prepaid cards)

The driver's license and the credit card must belong to the renter (the same name must be on both).

A pre-authorization of \$500 + estimated cost of rental will be taken at the time of pick up.

A pre-authorization is a temporary hold and is not a charge. The actual charge will happen when the rental item is returned, looked over, and the rental contract is closed with a final cost calculated. Flaman Rentals reserves the right to pre-authorize your credit card 24 hours prior to the rental. Non-valid credit cards will result in automatic cancellation of the reservation.

Insurance is the responsibility of the customer.

Damages are the responsibility of the customer.

Cleaning charges are \$100 per hour. All items must return in clean condition.

Our delivery rates are \$3.00/loaded km or \$150 delivery and pick-up, whichever is greater.

All items are charged for time out, not time used.

Full day rentals = 24 hours

½ day rentals = 4 hours

Agriculture items are charged based on an acre rate OR daily rate, whichever is greater. Rental units may be equipped with ACREMETERS or GPS units to calculate acres done during the rental.

Removing or tampering with GPS or Acremeters is strictly prohibited. Doing so will result in a tamper charge of the daily rate x2 for the duration of the rental. GPS units are linked to email and we are notified if a unit is removed or tampered with.
